

Eileen II

CLASSIC YACHT, 82 ´

S/Y Eileen II is one of the worlds most beautiful classic sailboats. There are only 2 or 3 boats of her size in Northern Europe, and she is unique in Norway. She was designed by Alfred Mylne, and built by Alexander Stephens in Glasgow in 1934 for the enthusiastic regatta sailor Robert French. Eileen II offers a unique sailing experience with her 70 tonns and 300m² sails. Guests are free to help sail the boat or sit and enjoy each others company in the intimate deck house. We serve Champagne in tall glasses upon arrival at Aker Brygge, and we drop anchor when we serve dinner. For those who want more than a lunch or dinner cruise, Eileen II has 6 cabins with 10 beds (incl. 3 for the crew).
