

Transportation TO DESTINATIONS ALONG THE OSLO FJORD

Our three sightseeing boats can provide transportation for up to 290 guests. When our two ferries are not in regular service, we can use these as well, which raise the number of guests we can transport to 500. Fully booked the boats are most suitable for transportation to and from hotels and restaurants along the inner part of the Oslo fjord. To enjoy a charter with catering, 20 - 60 guests per boat is recommended.

“Båtservice IV” has more flexible seating arrangements than the other boats, which makes it very suitable for a charter. The tables will be laid with white cloths and china.

The boats must be hired for at least 3 hours. The guests are not obliged to order catering services.

Our fast motor yacht, Vanadis, can transport up to 40 guests in a comfortable way to destinations a bit further out in the Oslo fjord. Drøbak can be reached in 1 hour, Jeløya (Moss) in 75 minutes, and Tønsberg in 3 hours.
